AMENDED ORDER

WHEREAS, this matter came before this Deputy Zoning Commissioner for consideration of companion Petitions for Special Hearing and Variance filed by the owners of the subject properties, Bird River L.L.C., by Carl F. Wagner, Partner, seeking approval of an amendment to the Last Recorded Final Development Plan for Greenbriar at White Marsh, and variance relief from Section 1B01.2.C.1.c (Chart) of the Baltimore County Zoning Regulations (B.C.Z.R.) as follows: In Case No. 99-225-SPHA, a side yard setback of 24 feet in lieu of the required 25 feet is requested for a proposed dwelling on Lot 42 (2 Holly Leaf Court); in Cases Nos. 99-226-SPHA and 99-227-SPHA, side yard setbacks of 24 feet each in lieu of the required 25 feet are requested for proposed dwellings on Lots 84 and 100 (33 and 1 Greenbriar Way, respectively). The subject properties and relief sought are more particularly described on the site plan submitted which was accepted into evidence and marked as Petitioner's Exhibit 1.

Appearing at the hearing on behalf of the Petitions were Carl Wagner, a representative of the Bird River L.L.C., and Thomas A. Church, Professional Engineer who prepared the site plans of these properties. There were no Protestants or other interested persons present.

Testimony and evidence presented at the hearing revealed that the subject properties are located in the residential subdivision known as Greenbriar at White Marsh, which was approved many years ago as a 100-lot subdivision of single family townhouse dwelling units; however, the

ORDER RECEIVED FOR FILING
Date 2/11/09

site was never developed. The Petitioners recently purchased the property with the intention of developing same as originally proposed; however in reviewing the previously approved plan, it was determined that three of the lots, namely, Lots 42, 84 and 100 as described above, did not meet side yard setback requirements. Thus, the instant Petitions were filed to bring these lots into compliance with the zoning regulations, before constructing any homes.

Furthermore, the Petitioners indicated at the hearing that they were considering some minor modifications to the proposed dwellings to allow for the potential of a second floor bay window in the front bedroom of any unit and an increased width from 18 feet to 20 feet for all end units. The Petitioners indicated that they intended to present a revised development plan to the Development Review Committee (DRC) for review and approval, and that additional variances might be necessary if the revised plan was approved. By Order issued January 19, 1999, I granted the special hearing and variance relief for Lots 42, 84 and 100 as requested.

Subsequent to the hearing, the Petitioners submitted a revised development plan of this project, which included the modifications set forth above, to the DRC for their review and approval. By letter dated February 2, 1999, the Petitioners advised this Deputy Zoning Commissioner that they had obtained DRC approval of the revised development plan and thus, *an amendment of the prior Order issued by me in this matter was necessary to reflect those modifications.* A copy of the revised development plan was submitted with their letter and has been marked as Petitioner's Exhibit 1A. Inasmuch as the revised plan marked as Petitioner's Exhibit 1A has received DRC approval, and the fact that there were no Protestants at the hearing, I am persuaded to grant the Petitioner's request.

THEREFORE, IT IS ORDERED by the Deputy Zoning Commissioner for Baltimore County this 11th day of February, 1999 that the Order issued January 19, 1999 be and the same shall hereby be AMENDED as follows: the Petitions for Special Hearing filed in

companion Cases Nos. 99-225-SPHA, 99-226-SPHA, and 99-227-SPHA, seeking approval of an amendment to the development plan for Greenbriar at White Marsh, in accordance with the Second Amended Final Development Plan for Greenbriar at White Marsh, marked as Petitioner's Exhibit 1A, be and are hereby GRANTED; and,

IT IS FURTHER ORDERED that the Petitions for Variance seeking relief from Section 1B01.2.C.1.c (Chart) of the Baltimore County Zoning Regulations (B.C.Z.R.) as follows: a side yard setback of 24 feet in lieu of the required 25 feet for Lot 42 (2 Holly Leaf Court), and side yard setbacks of 24 feet in lieu of the required 25 feet each for Lots 84 and 100 (33 and 1 Greenbriar Way, respectively), in accordance with Petitioner's Exhibit 1A, be and are hereby GRANTED; and,

IT IS FURTHER ORDERED that a variance from Section 1B01.2.C.1.c of the B.C.Z.R. to permit front yard setbacks of 13 feet in lieu of the required 15 feet for Lots 1, 5, 7, 9, 11, 13, 15, 18, 22, 24, 27, 32, 34, 36, 47, 48, 54, 61, 65, 66, 67, 69, 70, 72, 74, 75, 77, 79, 81, 83, 85, 87, 89, 95, 97 and 99, and side yard setbacks of 14 feet in lieu of the required 15 feet for Lots 15, 27, 28, 36, 41, 48, 61, 62, 69, 74, 75, 89 and 90, be and is hereby GRANTED; and,

IT IS FURTHER ORDERED that a variance from Section 1B01.2.C.1.c of the B.C.Z.R. to permit side yard setbacks of 11 feet for Lot 37, 5 feet for Lot 94, and 9 feet for Lot 95, in lieu of the required 15 feet each, be and is hereby GRANTED; and,

IT IS FURTHER ORDERED that all other terms and conditions of the Order issued January 19, 1999 shall remain in full force and effect.

FINDINGS OF FACT AND CONCLUSIONS OF LAW

This matter comes before the Deputy Zoning Commissioner as companion Petitions for Special Hearing and Variance filed by the owners of the subject properties, Bird River L.L.C., by Carl F. Wagner, Partner. The Petitioners request approval of an amendment to the Last Recorded Final Development Plan for Greenbriar at White Marsh, and variance relief from Section 1B01.2.C.1.c (Chart) of the Baltimore County Zoning Regulations (B.C.Z.R.) as follows: In Case No. 99-225-SPHA, a side yard setback of 24 feet in lieu of the required 25 feet is requested for a proposed dwelling on Lot 42 (2 Holly Leaf Court); in Cases Nos. 99-226-SPHA and 99-227-SPHA, side yard setbacks of 24 feet each in lieu of the required 25 feet are requested for proposed dwellings on Lots 84 and 100 (33 and 1 Greenbriar Way, respectively). The subject properties and relief sought are more particularly described on the site plan submitted which was accepted into evidence and marked as Petitioner's Exhibit 1.

Appearing at the hearing on behalf of the Petitions were Carl Wagner, a representative of the Bird River L.L.C., and Thomas A. Church, Professional Engineer who prepared the site plans of these properties. There were no Protestants or other interested persons present.

Testimony and evidence offered revealed that the subject properties are located within the residential subdivision known as Greenbriar at White Marsh, which was approved many years

COPIES RECEIVED FOR FILING

Date

ago as a 100-lot subdivision of single family townhouse dwelling units and was never developed. Mr. Wagner testified that the Petitioners recently purchased the property and intend to commence development of the site with 100 townhouses as proposed; however, in reviewing the plan, it was determined that three of the lots, namely, Lots 42, 84 and 100, do not meet the required side yard setbacks. Thus, Mr. Wagner has filed the special hearing and variance relief to bring these lots into compliance with the zoning regulations, before he commences construction of the homes.

An area variance may be granted where strict application of the zoning regulations would cause practical difficulty to the Petitioner and his property. McLean v. Soley, 270 Md. 208 (1973). To prove practical difficulty for an area variance, the Petitioner must meet the following:

- 1) whether strict compliance with requirement would unreasonably prevent the use of the property for a permitted purpose or render conformance unnecessarily burdensome;
- 2) whether a grant of the variance would do a substantial justice to the applicant as well as other property owners in the district or whether a lesser relaxation than that applied for would give sufficient relief; and,
- 3) whether relief can be granted in such fashion that the spirit of the ordinance will be observed and public safety and welfare secured.

Anderson v. Bd. of Appeals, Town of Chesapeake Beach, 22 Md. App. 28 (1974).

After due consideration of the testimony and evidence presented, it is clear that practical difficulty or unreasonable hardship will result if the special hearing and variance relief are not granted. It has been established that special circumstances or conditions exist that are peculiar to the subject properties and that strict compliance with the zoning regulations would unduly restrict the use of the land due to the special conditions unique to these particular parcels. In addition, the relief requested will not cause any injury to the public health, safety or general welfare, and meets the spirit and intent of the B.C.Z.R.

Pursuant to the advertisement, posting of the property, and public hearing on these Petitions held, and for the reasons given above, the special hearing and variance requests should be granted.

THEREFORE, IT IS ORDERED by the Deputy Zoning Commissioner for Baltimore County this 19th day of January, 1999 that the Petitions for Special Hearing filed in companion Cases Nos. 99-225-SPHA, 99-226-SPHA, and 99-227-SPHA, seeking approval of an amendment to the development plan for Greenbriar at White Marsh, specifically, Lots 42, 84, and 100 thereof, in accordance with Petitioner's Exhibit 1, be and are hereby GRANTED; and,

IT IS FURTHER ORDERED that the Petitions for Variance seeking relief from Section 1B01.2.C.1.c (Chart) of the Baltimore County Zoning Regulations (B.C.Z.R.) as follows: a side yard setback of 24 feet in lieu of the required 25 feet for Lot 42 (2 Holly Leaf Court), and side yard setbacks of 24 feet in lieu of the required 25 feet each for Lots 84 and 100 (33 and 1 Greenbriar Way, respectively), in accordance with Petitioner's Exhibit 1, be and is hereby GRANTED, subject to the following restrictions:

- 1) The Petitioners may apply for their building permit and be granted same upon receipt of this Order; however, Petitioners are hereby made aware that proceeding at this time is at their own risk until the 30-day appeal period from the date of this Order has expired. If an appeal is filed and this Order is reversed, the relief granted herein shall be rescinded.
